### **Washington IowaWORKS November Office Hours**

WASHINGTON – IowaWORKS relocated to 1201 Industrial Park Drive in Washington, IA earlier this year. The office hours are Thursday's from 9:00 – 3:00 p.m. However, in the month of November all IowaWORKS offices will be closed on the following Thursdays: Nov. 11 (Veteran's Day) and Nov. 25 (Thanksgiving Day).

Services will be provided to the Washington community on Tuesday, Nov. 9 and Tuesday, Nov 23 to continue to have one day per week services.

The new office location allows for expanded services and space to meet the needs of the community. Recently, services have been added to assist Veteran's and unemployed job seekers. By appointment, Veteran's actively looking for work and who need additional assistance to secure meaningful employment has access to the Veteran's Representative in the Washington office. Reemployment Services Workshops are held monthly at the Washington Public Library and are offered to the general public at no cost.

To schedule an appointment with the Veteran's Representative, please call Greg at (319) 351-1035, ext. 31320. To learn more about the Reemployment Services interactive workshops, please contact Sandy at (319) 351-1035, ext. 31309.

For additional information, contact Brenda Dodge at (319) 351-1035.
